

New charity joins Greiner-Maltz web

Greiner-Maltz is proud to announce that SHAREing & CAREing has joined the list of distinguished charities appearing in the “Click for Charity” section of their website, www.greiner-maltz.com. Other charities already on the list include: The New York Times Neediest Cases Fund, City Harvest, and Queens Child Guidance Center.

Their website is visited by thousands of bankers, appraisers, lawyers, and corporate executives over the course of the year.

With each click on the Greiner-Maltz “Click for Charity” symbol, the

visitor elects to have Greiner-Maltz contribute money, with 100% of the proceeds going to the selected charities.

“Organizations like SHAREing & CAREing depend on the corporate support of the neighborhoods we serve and we are very grateful that our business community gives back to the community we serve in,” said Anna Kril, president of SHAREing & CAREing.

The “Click for Charity” program provides donations to a representative group of local charitable organizations. ■
